

# **THE HEARTH *Memory Care***

## **ASSISTED LIVING**

### ***Schedule of Services and Fees***

**THE HEARTH provides a safe, secure and home-like environment for those with Alzheimer's Disease and other dementias.**

Building on Masonicare's commitment to compassion and dignity for every person, this program offers a highly personalized approach to memory care.

Our residential community enables all residents to receive assistance with day-to-day activities in combination with specialized programming that focuses on the specific needs of each resident in our care, emphasizing self-esteem, understanding and security.

One all-inclusive fee includes daily living assistance and personal care services. In addition, Masonicare offers the convenience of extensive healthcare services right on our campus. And all residents receive priority admission to long term care.

*The Hearth provides peace of mind for the whole family.*
